IMPROVE FAMILIAR ROUTINES

- write out a script, or shoot a choreography
- film the routine live, then analyse your performance, using The Performance Rubric
- ask another magician, and/or a non-magician, for their 'show notes'

- find a study course for the prop you are most familiar with and work through it in small chunks
- try something new, such as a new routine, on a regular basis, eg. weekly
- seek expert feedback

3

EXPLORE NEW PROPS

- learn something new, eg. individual trick / move
- look for similarities between props / fundamental principles

↻ Feed what you've learnt back into step 1 and step 2.
